

# SLDDDRS WEBINAR SERIES 2021-2023

Advanced BioScience Webinar for Drug, Device Development  
NeuroScience Webinar  
Keio University

Nov 5, 2021 5:00PM PDT  
Nov 6, 2021 9:00AM JST

## 6th Webinar:

### Frontiers of molecular cell biology and its implementation in society

#### Personal Regulome Navigation

Howard Y. Chang, MD, PhD.  
Virginia and D.K. Ludwig Professor of Cancer Research  
Investigator, Howard Hughes Medical Institute  
Stanford University School of Medicine

#### Corneoptosis, functional cell death of keratinocytes

Masayuki Amagai, MD, PhD.  
Vice President for Research, Keio University  
Professor and Chair, Department of Dermatology  
Keio University School of Medicine

#### The structure and dynamics of a human gene regulatory network

Minoru S.H. Ko, MD, PhD  
Professor, Department of Systems Medicine  
Keio University School of Medicine

#### Moderator

Ronald G. Pearl, MD, PhD  
Chairman, Anesthesiology  
Chairman, SLDDDRS Stanford

Peter N. Kao, MD, PhD  
Professor  
Pulmonary and Critical Care Medicine  
Stanford

Hideyuki Okano, MD, PhD  
Professor & Chair, Physiology,  
Keio University Sch Med

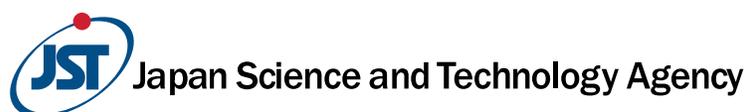

Head of International Advisory Board,  
SLDDDRS, Stanford

Toshihiko Nishimura, MD, PhD  
Co-Director, SLDDDRS Stanford

Register in advance for this webinar:
